Transparent Language Online

Traveling internationally this summer? Brush up on the language before you get there with our language learning database. The

Transparent Language Online database consists of a series of units made up of lessons and activities designed to help you master essential vocabulary, pronunciation, and other language skills.

The Essentials course is targeted to the traveler with practical units such as planning a trip, getting around in a city, staying in a hotel, dining, dealing with money, shopping, and asking for directions.

Yarn Donations Needed!!!!

The "Purls of Wisdom" needlework group needs your extra yarn. The needles and hooks are flying but we are running out of yarn. We knit and crochet hundreds of items for babies, children and adults here in Tarrant County. In the last three months we have donated over 400 caps to premature babies in the local hospitals, scarves for the homeless, and chemo caps for a local cancer unit. You can help by donating clean, soft baby yarn. Drop off your donation at the Adult Reference Desk.
